Subject: Intimation of Completion of European Union Good Manufacturing Practices (EU GMP) Inspection at Our API Facility in Limbassi

Ref.: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We are pleased to announce that the European Union Good Manufacturing Practice (EU-GMP) authorities have conducted their **first inspection** of our Active Pharmaceutical Ingredients (API) manufacturing facility located at Limbassi. The inspection was carried out from **August 18, 2025 to August 21, 2025**.

This milestone marks a significant achievement for Concord, as a successful EU-GMP inspection not only validates our commitment to global quality standards but also paves the way for expanding our footprint into new international markets. The approval will enable Concord to explore commercial opportunities across various EU territories and other regulated geographies, strengthening our global presence and growth trajectory.

This milestone reaffirms our commitment to the highest standards of quality, safety, and regulatory compliance, reflecting our dedication to operational excellence and alignment with global regulatory expectations.

Kindly take the above information on record.

Thanking You

For Concord Biotech Limited
